The Maximus Foundation will be awarding Proyecto Juan Diego \$10,000 to continue serving the Cameron Park area and the community.

Brownsville, TX – June 03, 2022 – Proyecto Juan Diego would like to express immense gratitude to the Maximus Foundation, as our organization was chosen to be a grant recipient of \$10,000 to keep providing our services to the Cameron Park area and the community.

“In recognition of their impact in our community, the Maximus Foundation is pleased to award a grant to Proyecto Juan Diego,” said John Boyer, Maximus Foundation Chairman. “We are delighted to present this award to this impressive organization whose work reflects our shared values—partnering with people in under resourced communities and connecting them to the tools they need to build better lives for themselves, their families, and their neighbors. I thank Proyecto Juan Diego for its collaborative approach to enriching the lives of those it serves.”

We are truly thankful for this opportunity and look forward to continue offering our services in family dynamics, education, health care, immigration services and civic engagement for a successful impact in our community.
